

Small Parcel Shipping within the Continental U.S.

Use the shipping schedule to determine your charges for small parcel surface shipping in the continental United States. Air shipping is available at extra cost. All carriers use dimensional weight to assess air shipping charges.

A \$3.00 Processing and Insurance Charge is added to all orders. We do not ship COD orders.

Shipping Schedule:

		Charge
For orders from	25.00 to 50.00	12.00
For orders from	50.01 to 100.00	16.00
For orders from	100.01 to 200.00	23.00
For orders from	200.01 to 350.00	30.00
For orders from	350.01 to 500.00	38.00
For orders over	500.00	45.00

Processing and Insurance for all orders 3.00

Small Parcel Shipping to Alaska, Hawaii, and Foreign Counties including Canada:

Since the Post Office, Federal Express, and other small package carriers have instituted dimensional weight, the charges for packages vary widely. Estimates are 30-40% of parts cost, depending on the items. We have had several lost parcels using the postal service and recommend Fed Ex as the best delivery company for non-continental U.S. addresses. Large parcel orders are shipped via air freight. Contact us with the details of your order and we will quote the delivery charges.

Back Orders: Although we have a large inventory of parts available, occasionally back orders occur. Regular inventory items not in stock at the time of your order will be shipped at no additional cost, as quickly as possible.

Damaged Merchandise: Contact us immediately if you have a damaged parcel. Do not discard any packing as you may harm your chances of quick resolution. Please have your invoice number ready when calling.

Any damage or shortages must be reported to us within 7 days of receipt of goods.

Returns: Must be accompanied by copy of invoice and returned in the same condition as shipped.

All returns are subject to a 15% inspection and restocking assessment. Returns older than 30 days must be pre-approved. Please call ahead of time with details before returning.

Warranty: Items we manufacture carry a limited lifetime warranty. Items we do not manufacture carry a warranty of one year from the date of purchase. Warranty is limited to the replacement of parts. Proof of purchase required.

Price Changes: We will notify you of any substantial price changes before shipping. Items with small increases will be processed and the amount due will be billed to your account or added to your invoice. If you are billed, please pay the balance due upon receipt. Prices are subject to change without notice.

Payment: Because of an increasing amount of incomplete transactions, we no longer are accepting COD orders. Please mail check or money orders payable to: Fusick Automotive Products, Inc. We reserve the right to hold personal checks up to 14 days for bank clearance.

Credit Cards: We accept Visa, MasterCard, American Express and Discover Card as payment. FAX, E-Mail or mail orders are preferred to avoid delays due to incorrect or incomplete information.

Shipping: Orders are processed within 2 hours of receipt and are shipped the same day whenever possible. Please provide a street as well as mail address to assist us in handling your order quickly. Please print or type your order.

Show Schedule: It is impossible to have every item in our inventory available off premises. To avoid disappointment please contact us with orders two weeks prior to the show date.

Welcome Oldsmobile Enthusiasts,

Fusick Automotive has been in business since 1971 serving 1935-77 Oldsmobile owners worldwide. During this time, we have developed a large inventory of aftermarket and reproduction parts.

We hope this catalog will meet some of your restoration needs. Unfortunately, it has become necessary to consider discontinuing some parts due to a combination of slow sales, manufacturer consolidation, and unreliable suppliers. Please check notations in the catalog on items marked for discontinuation to avoid disappointment in the future.

For those of you restoring a 1961-77 Cutlass, 442, or H/O, we offer a catalog listing hundreds of items for enthusiasts. We also offer a catalog for 1935-60 Oldsmobile enthusiasts. This catalog has new old stock, reproduction items, suspension parts, rubber parts and decals to aid in your restoration. Each catalog is \$5.00 sent by first class mail. As always, catalogs are no charge with an order or you may download the complete pdf file on our website fusickautomotiveproducts.com for free.

Please read our policies and procedures on the opposite page before ordering. Remember, we constantly maintain a large stock of parts in order to offer same day shipping. We appreciate your mail-in, faxed, emailed or web site order to help eliminate needless communication errors. Enjoy the catalog and we look forward to assisting you with your Oldsmobile restoration in the near future.

SCRIPTS & EMBLEMS

We have reproduced many of the hard-to-find Scripts and Emblems for Starfire and Toronado. Quality of casting and chrome finish is excellent. Scripts are inspected, approved and licensed by General Motors.

1961-66 Starfire Scripts

1961 'Starfire' Scripts: The 1961 Starfire uses the same script on both front fenders and trunk. Quality cast chrome script licensed by General Motors.

Fasteners included.

SE6241T 'Starfire' Script 1961 Starfire 39.50 ea.

1962 'Starfire' Scripts: The 1962 Starfire used 2 different scripts for trunk and fenders. Scripts are quality cast chrome and licensed by General Motors. Includes fasteners.

SE6274 1962 'Starfire' Fender Script 38.50 ea.

SE6241T 1962 'Starfire' Trunk Script 39.50

1963 'Starfire' Scripts: 1963 Starfire scripts are quality cast chrome plated and licensed by GM. Includes fasteners. SE6320 is used on 1963 Starfire Convertibles while the SE63RP Roof Panel script is used on 1963 Starfire Coupes.

SE6320 1963 'Starfire' Convertible Front Fender Script 38.50 ea.

SE6361T 1963 'Starfire' Trunk Script 39.50

SE63RP 1963 'Starfire' Coupe Roof Panel Script 38.50 ea.

1964 'Starfire' Scripts: The 1964 Starfire used 2 different scripts. Cast chrome plated and licensed by General Motors. Includes fasteners.

SE6423 1964 'Starfire' Fender Script 38.50 ea.

SE6477T 1964 'Starfire' Trunk Script 39.50

1965-66 'Starfire' Scripts: 1965-66 Starfires used two different scripts for fender and trunk. Licensed and approved by GM. Includes fasteners.

SE6541 1965-66 'Starfire' Fender Script 38.50 ea.

SE6558T 1965-66 'Starfire' Trunk Script 39.50

1966-67 Toronado Scripts and Emblems

The 1966-67 Toronado Scripts and Emblems are all licensed and approved by General Motors. Quality casting with excellent chrome finish and correct painted highlights per originals.

1966-67 Toronado Front End Panel Rocket Emblem: Cast chrome plated emblem with correct 'claret poly' (maroon) color in body and black highlights around edges. Licensed by General Motors. Emblem is 5" tall and has two mounting studs, includes fasteners. Mounts on front end panel over the 'Oldsmobile' letters.
SE6694 1966-67 Rocket Emblem 39.50

1966-67 'Toronado' Front Fender Script: Cast chrome plated 'Toronado' scripts are licensed by General Motors. Correct dark grey highlights in center of letters. Script has five mounting studs and includes fasteners.
SE6656 1966-67 'Toronado' Fender Script 38.50 ea.

'OLDSMOBILE' Front End Panel Letter Set: Expensive tooling was used to bring these quality letters to the enthusiast. Set of 10 letters has correct grey highlights in the center of letters and is licensed by General Motors. Correct angle on all the letters to conform to the angle of the front end panel. Includes all fasteners.
L667T 1966-67 'OLDSMOBILE' Letter Set 59.50 set

1967 'Toronado' Grille Script: Cast chrome grille script with correct grey highlights in center of letters. Script has three mounting studs with fasteners included. Inspected and licensed by General Motors.
SE6777G 1967 'Toronado' Grille Script 39.50

1966-67 'Toronado' Trunk Script: Cast chrome plated script, licensed by General Motors. Correct grey color highlights in letters as original.
SE6602 1966-67 'Toronado' Trunk Script 39.50

1966-67 Toronado 'by Oldsmobile' Trunk Nameplate: Cast chrome nameplate has brushed finish on face and correct white 'BY OLDSMOBILE' letters as original. Licensed by General Motors.
SE6603 1966-67 'by Oldsmobile' Nameplate 29.50

'OLDSMOBILE' Grille Scripts

'Oldsmobile' Grille Scripts: Quality chrome plated cast Grille Scripts for 1968-69 88 & 98 models and 1972 98 models. All mounting hardware included.

SE97G 1968-69 88 & 98 Grille Script 29.00
SE25G 1972 98 Grille Script 29.00

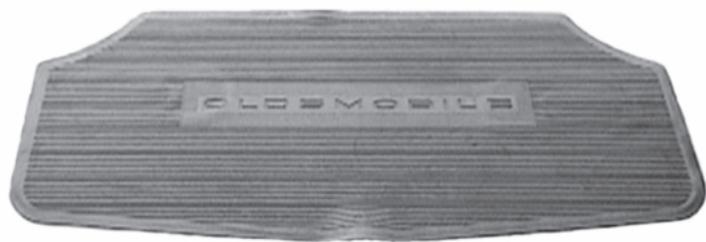

1970 'Ninety Eight' Trunk Scripts: We have a limited number of the 'Ninety Eight' Scripts used on trunk lid of all 1970 Ninety Eight models. Chrome plated scripts have white painted highlights.
SE7087T 1970 'Ninety Eight' Trunk Scripts 39.00

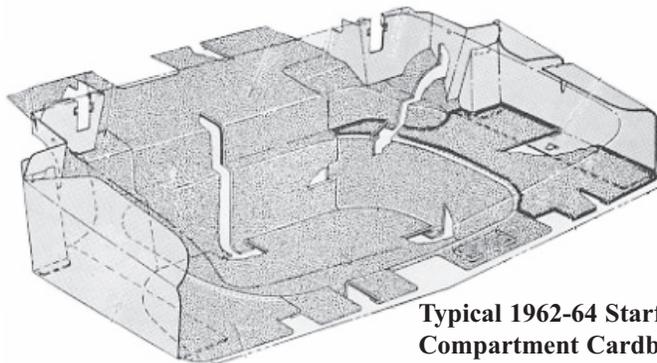

TRUNK COMPARTMENT

1962-75 Trunk Compartment Mats: We have the 1962-63-64 Starfire die cut trunk cardboards and die cut trunk mats available. The 1962 Starfire version is available in blue and maroon only. The 1963-64 Starfire version is available in black, blue and maroon. Other Trunk Mats listed from 1966-75 are made from the closest matched materials available. We no longer have available the foam backed tan Trunk Material for 1961-65 88, 1965-66 98, and 1966 Toronados.

REBUILDING SERVICES

We offer rebuilding services on the following mechanical parts. All individual services require that your existing part or parts (commonly called cores) be shipped complete and unaltered for rebuilding. If you do not send a core in advance, we will require a core charge. Core charges are basically an incentive to return a part to us so that the next enthusiast may have a unit for their restoration. Please do not disassemble old units. Cores with missing or broken parts will be assessed a deduction or rejected and returned.

Carburetors: Cosmetically restored exterior with new internal parts. Superior workmanship. Most carburetors are in stock, you will be assessed a core charge until your existing unit is sent in to us. Allow 6-8 weeks for rebuilding service on units not in stock. **Core charge on in stock carburetors is 295.00 for 4 barrel units and 175.00 for 2 barrels.**

Engine Paint

These engine enamels are computer color-matched and are the closest to original available. To properly paint an engine 3 to 4 aerosol cans will be needed. Aerosol cans are 16 oz. Please note that we can only ship paint to addresses in the continental United States. Because of air carrier regulations we will not ship paint by air or out of the United States under any circumstances.

Coil Springs and Insulators

Springs are made to order and are exact for your car. Our supplier matches the new springs to your application to ensure maintaining the proper ride height and handling. Springs are made from modern materials and as such may differ in appearance from originals. These are not the generic springs that others may offer. When ordering, we need to know year, model, body style, engine size, transmission, whether or not the car is air conditioned, and if heavy duty springs are desired. Note that heavy duty springs will likely change your car's ride quality but will not change the ride height. Springs are not in stock, allow 2-3 weeks for delivery. As coil springs are a special order item, they are not returnable.

Please Read: A fresh rebuilt Power Brake Unit will not always guarantee a solution to your problem. Other areas to check are a lack of vacuum caused by a bad check valve or pin hole in the vacuum reserve tank. Air in the brake lines, deteriorated vacuum hoses or poorly functioning wheel cylinders are areas of concern as well. NEVER use silicone (Dot 5) brake fluid.

Replacement Master Cylinders: New Master Cylinders for 1961-66 Oldsmobile 88, 98, Starfire and Toronado. Raybestos brand new units to fit the style systems listed. Please note that the master cylinders are service replacements. They do not have the same appearance as the originals, but will work fine. If appearance is an issue you will need to send in your original master cylinder for rebuilding service.
